Transport to competition centre

- Transport schedule is provided at the separate sheet.
- There are three departure points (two bus lines):
 - Departure point **A** accommodation Banos EC
 - Departure point **B1** accommodation OSG, the bus stop is located at Sport Gymnasium parking (app. 100 m from accommodation). This bus stops also at the departure point **B2** at the hotel LUX . Hotel LUX station is the departure point for hotel KURIA.

Transport to the start quarantine

- **Own transport for competitors and officials is forbidden!!**
- The driving time is approximately 45 minutes.
- Team officials must use the first bus from their bus stop.
- The runners are allocated to the buses according to their start times – see the separate sheet. Each runner must go with „prescribed“ bus – entry to the bus is the entry to the quarantine, each name will be controlled according to the list.

Transport from the competition centre

- After the end of the race – the exact time will be announced by speaker - competitors and officials have to walk app. 400 meters to the bus parking. The buses are expected to depart from app. 13:30, each when filled.
- Buses will be signed A or B according to the arrival points – bus lines. Enter the right bus!

Competition centre

- There are again only two areas to stay during the event:
 - Start quarantine (it is strictly forbidden to use any transmitting devices in the quarantine)
 - Designated areas in the finish arena (see Bulletin)
- There will be toilets, tents and water in start quarantine. Bags will be transported to finish area by organizers (the time for delivery can be up to one hour – it would be good to have reserve bag at the finish). Own tents are allowed. Warm up map is available.
- Team officials can move only from start quarantine to finish – only by organizer's transport, than short walk at the end – compulsory use of marked path. The transport time is minimum 30 minutes.

Courses, map, control card

- All is in the Bulletin and as shown at the Model event.
- Maps will be collected in the finish and returned on Sunday.
- After printing the maps some minor changes occurred in the terrain (not shown in maps) – like new small paths as the result of tree cutting.

Start procedure

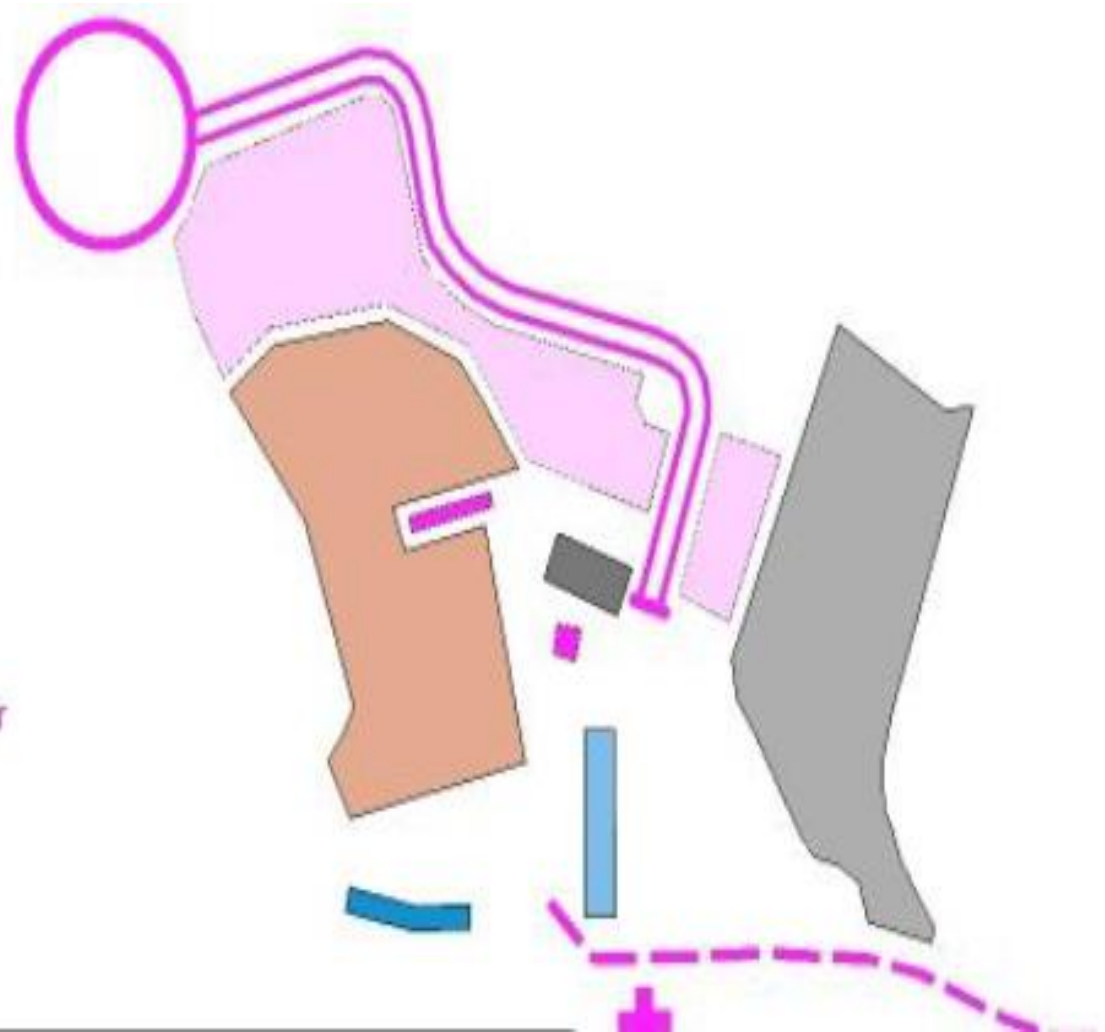

- Presented at Model event.
- Coaches cannot go to the start, must stay in quarantine only. Two buses will stay all the time in quarantine area.
- Athletes shall enter the corridor to the start exactly 9 minutes before their start time.
Athletes first punch SIAC ON, then Clear and Check there.

Finish procedure (and information)

- Finish procedure as in the Model event.
- Three radio controls.
- Live results should be on the competition web.
- Complaints and protests (if any) shall be delivered in due time to the competition office at Suchy Vrch.

Finish area

- spectators zone
- teams
- cool down area
- info panel
- toilets
- food, shops
- bags from start, water
- timekeeping, SI reading, speaker
- last control
- finish corridor & finish line
- first aid
- marked road to bus parking
