

Team Leaders Meeting Minutes 1.7.2017

- Q: How will be the lunch organized tomorrow? A: Every team needs to take their lunch package on the accommodation during the breakfast.
- Q: Would it be possible to move the prize giving ceremony to the earlier time? A: We will try to organize it as soon as it will be possible, but we have to follow the rules.
- Q: There was not enough free space in some of the buses. A: The reason for this was that the first two buses stayed in the start quarantine for better comfort of the competitors due to heavy rain.
- Q: Some teams need their own transport to the finish area tomorrow, since they need to leave very early. A: The organizer will permit this for the teams that really need it, as an exception.

- Q: Is it permitted to use the old map from the Bulletin 1 in the finish area? A: No, this is not allowed, it would be the violation of the rules and fair play.
- Q: The runners running the 3rd leg may miss the exhibit of the handover procedure due to the transport organization. A: Yes, but that should not be an issue – they will see how it works in real, and the coaches will know how the handover procedure works.
