# Transport from the competition centre

- After end of the race, competitors and officials have to walk app. 500m to bus parking (team leaders get the map with navigation from the event office at the moment announced by speaker – app. at 12,15). The buses depart at 12:30, each when filled.
- Buses will be signed A or B according to the arrival points – bus lines. Enter the right bus!

# Competition centre

- The city Banska Stiavnica is restricted area for athletes and team officials till the finish of the last runner.
- There are only two areas to stay:
  - Start quarantine (it is strictly forbidden to use any transmitting devices in the quarantine)
  - Designated areas in the finish arena (see Bulletin)
- There will be toilets, tents and water in start quarantine. Bags will be transported to finish area by organizers. Own tents are allowed. Warm up map is not available.
- Team officials can move only from start quarantine to finish – only by organizer's transport, than short walk at the end – compulsory use of marked path.

# Courses, map, control card

- All is in the Bulletin and as shown at the Model event (sorry for  $e=5\text{m}$  at sprint model – sprint race map parameter is  $e=2,5\text{m}$ ).
- In the competition area many cars are parked partly on the sidewalk.
- Traffic is not totally closed in the competition area, be careful!

# Start procedure

- Presented at Model event.
- Coaches cannot go to the start, must stay in quarantine only.
- Athletes shall enter the corridor to the start exactly 15 minutes before their start time. Shoes will be controlled at this entry point (spikes or dobbs forbidden). **Athletes first punch SIAC ON, then Clear and Check there.**
- There is no start gate.

# Finish procedure (and information)

- Finish procedure as in the Model event.
- Three radio controls.
- Live results will be on the competition web.
- Streaming is planned on YouTube
- Complaints and protests (if any) shall be delivered in due time to the competition office in Banska Stiavnica.
